

# Harris Organic Spirits

## **Brandy**

Harris Organic Brandy (350 ml) is the first certified organic brandy in Australia. Note: Also available in 750mL bottles and alcohol content is 40%.

Double-distilled using a wood-fired pot still this hand-made brandy is evocative of the old brandies made at Cognac in France.

Once the spirit has been collected it is placed in small French oak casks in the underground cellar to mature for a minimum of 3 years.

This brandy has complex characters that include caramel, toffee, notes of orange, vanilla, smoky spice and cloves. This Brandy has no sulphites or any chemicals or filtering agent added. ie No additives, no perfumes, no oils, no sugar, no fat, no acid added in this products, just grapes and rain water.

This single vintage brandy may have the date of distillation on the back label.

## **Vodka**

Harris Organic Vodka is the only certified organic grape vodka made in Australia.

Organic grape Vodka is not double distilled but distilled many times to produce the most pure natural spirit. It is not aged in oak. This pure clear spirit is bottled directly from the still however. It has clean and elegant flavours of aniseed, rock candy, vanilla, passion fruit, banana and almond. We use this organic grape vodka for fortifying our own organic wines at our winery.

This Vodka has no sulphites or any other chemicals or filtering agent added. ie No additives, no perfumes, no oils, no sugar, no fat, no acid added in this products, just grapes and rain water. 40% alc. This special gluten free vodka

## **Pisco - Unwooded Brandy**

Harris Organic unwooded brandy is the only certified organic brandy in Australia. Available in 750mL bottles and the alcohol content is 40%. Double-distilled using a wood-fired pot still this hand-made eau de vie is evocative of the old eau de vie made at Cognac in France. Once the brandy spirit has been collected it is bottled immediately. This unwooded brandy has characters that include grapey notes and brandy overtones. This unwooded brandy has no sulphites or any chemicals or filtering agent added. ie no additives, no perfumes, no oils, no sugar, no fat, no acid added in this product, just grapes and rainwater.

## **Gin**

Harris Organic Gin is the only certified organic grape gin made in Western Australia.
